Change Notification #: 116370 - 00
Change Title: Intel® Pentium® Processor G4400,
PCN 116370-00, Product Support,
Transitioning from Intel Architecture to
Internet of Things (IoT)
Date of Publication: July 17, 2018

Key Characteristics of the Change:

Product Support

Forecasted Key Milestones:

Date Product Support Change Becomes Effective:	July 17, 2018
Last Order Date Prior to Product Support Change:	August 24, 2018
Orders are Non-Cancelable and Non-Returnable After:	August 24, 2018
Last Shipment Date Prior to Product Support Change:	August 24, 2018

Description of Change to the Customer:

No change for Intel Internet of Things (IoT) customers.

The Intel® Pentium® Processor G4400 is currently End of Life, but due to recent roadmap changes, it has changed support to Intel Internet of Things (IoT).

*Milestones dates are for record keeping only as product was End of Life under Intel Architecture and could not be ordered. Support has already transitioned to Intel Internet of Things (IoT).

Intel support for the products listed in the "Products Affected/Intel Ordering Codes" table below is moving to Intel Internet of Things (IoT) for the continued support of Intel Internet of Things (IoT) customers. The Intel Internet of Things (IoT) terms, conditions, and pricing will go into effect for all customers after the "Last Shipment Date Prior to Product Support Change" listed above. Please contact your Intel Internet of Things (IoT) sales representative if you have any questions regarding this change.

Customer Impact of Change and Recommended Action:

There is no expected impact to Internet of Things (IoT) customers.

For Intel Architecture customers the tray products listed on the "Products Affected/Intel Ordering Codes" table should be managed in accordance to the "Key Milestones" listed above. "Orders are Non-Cancellable and Non-Returnable" date applies to both Corporate Assurance and backlog after the "Last Product Discontinuance Order" date. At this date a snapshot will be taken of all remaining backlog and/or assurance and this quantity will become non-cancellable. The "Last Product Discontinuance Order Date" is the final day for customers who carry backlog to book the Assurance Intel has granted as of the "NCNR Date". For all customers Corporate Assurance must be booked and shipped by the "Last Product Discontinuance Shipment Date." From date of PCN publication, interim booking and turn back deadlines or separate Letter Agreements will apply vs. the standard Corporate Assurance Process.

Once product support is officially transferred to Intel Internet of Things (IoT), all discounts approved prior to "Last Shipment Date Prior to Product Support change" will no longer be honored.
