

# Product Change Notification

**Change Notification #: 119564-00**

**Change Title: Select Intel® Ethernet Products,  
PCN 119564-00, Product Discontinuance,  
End of life**

**Date of Publication: June 01, 2023**

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

<b>Last Product Discontinuance Order Date</b>	December 01, 2023
<b>Orders are Non-Cancelable and Non-Returnable After</b>	December 01, 2023
<b>Last Product Discontinuance Shipment Date</b>	December 01, 2024

## Description of Change to the Customer:

The Intel® Ethernet Products listed in the products affected table will End of life.

After the Last Product Discontinuance Order Date, existing inventory may still be orderable under NCNR terms. Contact your local Intel Field Sales Representative, Customer Business Analyst or Intel Customer Support to inquire about any remaining available inventory. Orders will be filled on a first come first served basis.

The recommended replacement SKUs are noted within the affected products table in this PCN notice.

Milestone dates are estimates and subject to change based on business and operational conditions.

## Customer Impact of Change and Recommended Action:

Customers should place their Last Time Orders by December 1, 2023 and delivery of all orders must be taken no later than December 1, 2024.

Customers can modify or cancel their orders up until the Last Order Date of December 1, 2023. Non-Cancelable, Non-Returnable (NCNR) terms apply to all shipments after December 1, 2023.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.

## Products Affected/Intel Ordering Codes:

Marketing Name	Product Code	Affected MM#	Recommended Replacement Product Code	Recommended Replacement MM#
Intel® Ethernet Converged Network Adapter XL710-QDA2, retail unit	XL710QDA2	932586	E810CQDA2 (upgrade to 100GbE)	978322
Intel® Ethernet QSFP+ SR Optics, retail unit	E40GQSFP5SR	933911	E100GQSFP28SRX (upgrade to 100GbE)	983849

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

©Intel Corporation. Intel, the Intel logo, and other Intel marks are trademarks of Intel Corporation or its subsidiaries. Other names and brands may be claimed as the property of others.

No response from customers will be deemed an acceptance of the change, and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below.
