

# Product Change Notification

**Change Notification #:** 119788-00

**Change Title:** Intel® RealSense™ Depth Camera D457,  
PCN 119788-00, Product Material,  
FAKRA connector change from C-code to Z-code

**Date of Publication:** January 17, 2024

## Key Characteristics of the Change:

Product Material

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	March 16, 2024
<b>Date of First Availability of Post-Conversion Material:</b>	March 01, 2024
<b>Date of Qualification Data Availability:</b>	March 01, 2024

## Description of Change to the Customer:

The Intel SKUs listed in the products affected table will have the following changes:

The FAKRA connector in the Intel® RealSense™ Depth Camera D457 is changed from C-code to Z-code

### Current FAKRA Connector: C-Code

### New FAKRA Connector: Z-Code

### Customer Impact of Change and Recommended Action:

No impact is expected to customers, as Z-code connector is compatible with all FAKRA connectors. The camera's rear house design will be modified to accommodate the new connector, but the camera's dimensions remain the same.

Please contact your local Intel Field Sales Rep if you have any further questions about these changes.

### Products Affected/Intel Ordering Codes:

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
