The screenshot shows the Intel QDMS Search PCN Database interface. It includes a navigation bar with links to PRODUCTS, SUPPORT, SOLUTIONS, DEVELOPERS, and PARTNERS. Below this is a breadcrumb trail: Home > About Intel > Technology Leadership > Manufacturing > Quality & Reliability > Intel Quality Document Management System. The main heading is "QDMS Search PCN Database".

Search filters include a "Publish Date Range" section with "Start Date Range" (11/25/2019) and "End Date Range" (11/20/2020). There are dropdowns for "Key Characteristics" (set to "Key Characteristics") and "Documentation" (set to "Documentation"). A "Search" button is present. Below the search filters, there is a "Search" section with a "Select Search Criteria" dropdown and a text input field. A "Reset" button is also visible.

Results are displayed as "# Results" (10). An "Export File" section offers "Excel" and "Tab delimited file" options. A "Document Summary" tab is active, showing a table of results. The table has columns: PCN Number, Publish Date, PCN Title, Key Characteristics, Product Categories, and Abstract. The first three rows are visible, with the third row (PCN 117868-00) highlighted by a green box. Green arrows point from the "Excel" export link to the "PCN Number" column header and from the "PCN Number" cell of the highlighted row to the explanatory text on the right.
