Description of Change to the Customer:

Reason for Revision: Retraction of prior product discontinuance PCN (PCN # 117291 - 00) and product discontinuance update (PCN 117291-01). This SKU is an IOTG Long Life Support† product. Intel is not pursuing EOL of this product at this time and no roadmap changes are planned.

Customer Impact of Change and Recommended Action:

Retraction of PCN # 117291 - 00 is being done as Intel is not pursuing EOL of this product at this time. Retraction of PCN 117291-01 is being done as it inaccurately referenced the prior correction to the erroneous EOL as a "new roadmap decision". This SKU is an IOTG Extended Support product. No new roadmap decision was made, the PCN (PCN 117291-01) was intended to update customers that the product is still getting IOTG long life support.

Please see your Intel representative for any questions or concerns.
