# Product Change Notification

**Change Notification #:** 111943 - 01  
**Change Title:** Intel® Desktop, Desktop Extreme, Server, Mobile and CPU only Boxed Product Families, PCN 111943-01, Label, Outer Case Label Updates, Box Run Number Implementation, Reason for Revision: Revised Ready to Receive date and MM#s added to the Products Affected/Intel Ordering Codes Table  
**Date of Publication:** August 21, 2013

## Key Characteristics of the Change:

Label

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	August 26, 2013
---	-----------------

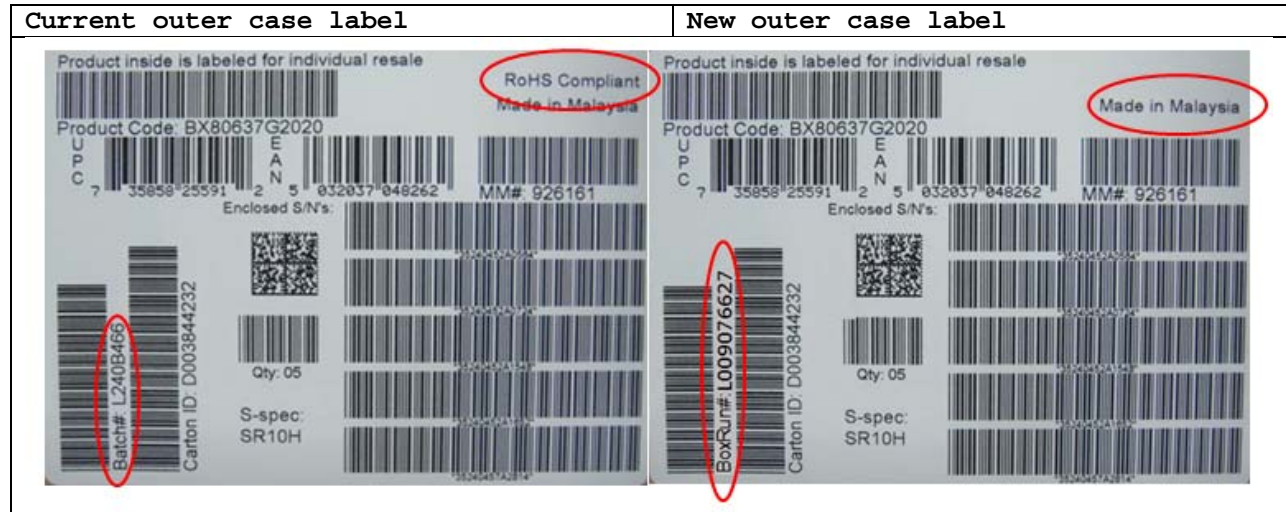

## Description of Change to the Customer:

**Reason for Revision:** The "Date Customer Must be Ready to Receive Post-Conversion Material" has been revised from the original PCN from February 20, 2013 to August 26, 2013 as noted in the Forecasted Key Milestone above. Additional MM#s have been added to the Products Affected/Intel Ordering Codes Table. No other changes have been made to the PCN.

Intel will begin implementation of the Box Run number on the product outer case labels for all Intel® Desktop, Desktop Extreme, Server, Mobile and CPU only Boxed product families. The box run number will replace the current batch number now applied to the outer case labels. Also, the "RoHS Compliant" text on the outer case label will be removed. The product is still RoHS compliant and meets all of the EU RoHS requirements.

## Customer Impact of Change and Recommended Action:

All Intel® Desktop, Desktop Extreme, Server, Mobile and CPU only product families are affected. There is no change to product functionality, product codes or the ordering process. Customers should be aware that batch number on the outer case carton labels will be changed to the box run number and they may need to update their incoming receiving operations. Customers may receive both current and new inventory as the implementation occurs.
