

Product Change Notification

107019 - 02

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 107019 - 02
Change Title: D946GZIS, PCN 107019-02, Order Code, Manufacturing Site - Printed Circuit Board Conversion, Reason for Revision: Correcting Abstract
Date of Publication: January 11, 2007

Key Characteristics of the Change:
Order Code

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Dec 26, 2006
---	--------------

Description of Change to the Customer:

Reason for Revision: Correcting Abstract

An additional capacitor has been added to ensure supply. The printed circuit board is being updated to support the new capacitor.

Customer Impact of Change and Recommended Action:

This change has been thoroughly evaluated to ensure that there is no quality, reliability or functional implications to our customers. Intel is not recommending additional qualification of these changes on platforms received from Intel.
