

Product Change Notification

Change Notification #: 119203-00

Change Title: Intel® NUC M15 Laptop with Intel® Core™ i7 Processor
Update Regulatory label and User Guide

Date of Publication: July 28, 2022

Key Characteristics of the Change:

Label, Documentation

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material	August 13, 2022
--	-----------------

Description of Change to the Customer:

The Intel SKUs listed in the products affected table will have the following changes.

1. Update Gift box regulatory. Add US energy star and ICASA RF logo.
2. Update user manual from M56654-002 to M56654-004

Regulatory Label

Change from old part

Change to new part

Customer Impact of Change and Recommended Action:

Intel anticipates customer impact will be minimal as only the gift box and the regulatory guide are being changed.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

©Intel Corporation. Intel, the Intel logo, and other Intel marks are trademarks of Intel Corporation or its subsidiaries. Other names and brands may be claimed as the property of others.

No response from customers will be deemed an acceptance of the change, and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below.
