## 110156 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

|---|----------------|
| <b>Date Customer Must be Ready to Receive Post-Conversion Material:</b> | August 2, 2010 |
|---|----------------|

## Description of Change to the Customer:

Intel is pleased to announce a reduction in Minimum Order Quantity (MOQ) on several Intel® Ethernet Adapters. Effective immediately, the products listed below can be ordered with an MOQ of 1. A change from the original MOQ of 10, this is expected to simplify the ordering for those customers who want to purchase less than 10 units.

The affected Retail adapters are noted within the product table below.

## Customer Impact of Change and Recommended Action:

Please adjust your ordering systems with these changes.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.
