

# Product Change Notification

**Change Notification #:** 114139 - 00  
**Change Title:** Selected Spares and Accessories for Intel® Server Boards, Intel® Server Systems, Intel® Compute Modules & Intel® Server Chassis, PCN 114139-00, Product Discontinuance End of Life  
**Date of Publication:** October 20, 2015

## Key Characteristics of the Change:

Product Discontinuance

<b>Last Product Discontinuance Order Date * :</b>	April 20, 2016
<b>Orders are Non-Cancelable and Non-Returnable After:</b>	January 20, 2016
<b>Last Product Discontinuance Shipment Date:</b>	July 20, 2016

*\* Intel appreciates the customer's desire to receive the latest revision of products. However, Intel manages inventory on a first in first out (FIFO) basis at the MM# level. Subsequently, customer requests for a specific revision of material (below the MM#) will not be supported by Intel.*

## Description of Change to the Customer:

Intel is announcing the discontinuance of Selected Spares and Accessories for Intel® Server Boards, Intel® Server Systems, Intel® Compute Modules and Intel® Server Chassis listed in the "Products Affected/Intel Ordering Codes" table below.

Date	Definition
<b>October 20, 2015</b>	<b>PDA: Product Discontinuance Announced.</b> Business as usual. Distributor stock rotation returns will be accepted up until the NCNR date.
<b>January 20, 2016</b>	<b>NCNR: Non-Cancelable and Non-Returnable date.</b> Intel will make best efforts to support all orders placed between NCNR and FCFS. Deliveries must be accepted within 90 days from the FCFS date.
<b>April 20, 2016</b>	<b>FCFS: First Come First Served Order Date</b> Existing inventory is still orderable, under NCNR terms, and will be filled on a <b>first come first served</b> basis. Intel will discontinue product builds on the FCFS date. Deliveries must be accepted within 90 days.

Final purchase orders are non-cancelable and non-returnable, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Intel reserves the right to change the products because of material source restriction.

The products listed in the "Products Affected/Intel Ordering Codes" table below, have been discontinued, and will be unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above) OR as soon as current inventories are depleted. All orders will be filled on a first-come, first-served basis. For applicable replacement product(s), please see the "Replacement Product" column in table below.

### **Customer Impact of Change and Recommended Action:**

Determine your remaining demand for this product and/or evaluate additional sources (if applicable).

Please contact your local Intel Sales Office or Distributor if you require more information or need assistance in selecting a replacement product.

Milestone dates are estimates and subject to change based on business and operational conditions.

### **Engineering and Support Guidance for Discontinued Products:**

1. No new OS, peripheral or adaptor validation is planned during the extended life period. The THOL, supported processor and tested memory lists are frozen at PDA.
2. No new features enhancements should be expected, however ECOs may be required during the extended life period to maintain supply lines (e.g. to qualify new vendor due to a component EOL).
3. Intel will provide reasonable commercial efforts in debugging issues during the warranty period for the product after the PDA date has passed. Fixes cannot be committed, but Intel will endeavor to provide reasonable workarounds for the product.
