change
Date of Publication: December 16, 2019

Key Characteristics of the Change:

Label

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material*:	January 1, 2020
--	-----------------

* Intel appreciates the customer's desire to receive the latest revision of products. However, Intel manages inventory on a first in first out (FIFO) basis at the MM# level. Subsequently, customer requests for a specific revision of material (below the MM#) will not be supported by Intel.

Description of Change to the Customer:

Intel Corporation is implementing the following change on the servers listed in products affected table.

- The location of the 1100W power supply fan label is being relocated, so that it is covered and protected by the power supply chassis.
