

# Product Change Notification

## 109624 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 109624 - 01  
**Change Title:** SR1630BC, PCN 109624-01, Product Design, System Software Updates - Reason for Revision: This change has been canceled  
**Date of Publication:** November 05, 2009

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Nov 09, 2009
---	--------------

## Description of Change to the Customer:

### Reason for Revision: This change is being canceled

System Software programmed at the factory on the Intel(R) Server System SR1630BC is being updated - This change has been canceled.

BIOS - From 38 to 42

The system software update, including Release notes, will be available for download from Intel's support website

<http://support.intel.com/support/motherboards/server/s5500bc/> prior to this change.

Please see software release notes for a list of changes when available.

## Customer Impact of Change and Recommended Action:

Intel does not foresee any adverse customer impact to this change.

Intel recommends performing a standard level of evaluation as updated product becomes available. Customers should evaluate server software when available.
