

# Product Change Notification

## 110537 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 110537 - 00  
**Change Title:** 1000W Power Supply FXX1000WHEPS, Single, Intel(R) Workstation Chassis SC5650WS, Single, Intel(R) Workstation System SC5650SCWS, Single, PCN 110537-00, Product Design, Product Design, Upgrade 1000W power supply module to support dual graphic cards in crossfire mode.  
**Date of Publication:** April 14, 2011

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	May 25, 2011
---	--------------

## Description of Change to the Customer:

The power supply modules (FXX1000WHEPS) of the Intel(R) Workstation System SC5650SCWSR and Intel(R) Server Chassis SC5650WS are being modified to respond marketing demand. Changes being made will add two 6pin and one 8 pin power connectors to support dual high-end 150W graphic cards in crossfire mode. The power supply module part number will change from E68914-005 to E68914-006.

## Customer Impact of Change and Recommended Action:

Intel does not foresee any adverse customer impact from the changes. Intel recommends that the customer perform a standard level of evaluation as updated product becomes available.
