## Customer Impact of Change and Recommended Action:

The BIOS change has been thoroughly evaluated to ensure that there are no quality or reliability implications to our customers.

Intel does expect any impact for the HDMI firmware update for customers.

Intel does not expect any impact for the image update.

Milestone dates are estimates and subject to change based on business and operational conditions.

Customer can expect to receive mixed inventory until current inventory levels are depleted.

Please contact your local Intel Field Sales Rep if you have any further questions about these changes.
