Product Change Notification

Change Notification #: 119669-00
Change Title: Select Intel Atom® x5 and x7 Processors, PCN 119669-00, Product Discontinuance, Product End of Life
Date of Publication: September 08, 2023

Key Characteristics of the Change:
Product Discontinuance

Forecasted Key Milestones:

<table>
<thead>
<tr>
<th>Description of Change to the Customer:</th>
</tr>
</thead>
</table>
The products listed in the "Products Affected/Intel Ordering Codes" table below, will be discontinued, and will be unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above).

Customer Impact of Change and Recommended Action:
Please determine your remaining demand and place your Last Corporate Assurance Orders by December 06, 2023 and Last Time Orders by March 08, 2024. Orders on March 08, 2024 will become Non-Cancelable and Non-Returnable.

Intel will support Functional Analysis Correlation Requests (FA/CR) for the products listed in the "Products Affected/Intel Ordering Codes" table for 12 months from the Last Product Discontinuance Shipment Date (see Forecasted Key Milestones above).

Please contact your Intel Field Sales Representative with any questions, requests or concerns.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.

©Intel Corporation. Intel, the Intel logo, and other Intel marks are trademarks of Intel Corporation or its subsidiaries. Other names and brands may be claimed as the property of others.

No response from customers will be deemed an acceptance of the change, and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below.
