Reason for Revision: Update Ready to Receive Milestone Date and Impact to Customer

Description of Change to the Customer:

The Intel products listed in the table below will undergo the following change:

Change gap between EOL mark and MRK mark from 0.4mm to 2.5mm as illustrated in the below pictures.

Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers as there is no form, fit or function change, only of the marking location change that will be visible.

Customers can expect to receive mixed inventory until current inventory levels are depleted.

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.
