Product Change Notification

Change Notification #: 110176 - 00
Change Title: DG41CN, PCN 110176-00, Transport Media, Replaced CD with DVD that includes the latest warranty and drivers
Date of Publication: August 04, 2010

Key Characteristics of the Change:

Transport Media

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Sep 01, 2010
---	--------------

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by changes to supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

Intel has implemented the following change:

The original 2-year limited warranty for Intel® Desktop Board DG41CN has been extended to a 3-year limited warranty and the outer box used for individually packaged boards has been updated to reflect that change.

The box contents originally included a driver CD that has been replaced with a DVD that includes the latest software and drivers.

Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers. There is no additional recommended action required.
