## 110688 - 00

Information in this document is provided in connection with Intel® products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 110688 - 00  
**Change Title:** Intel® Celeron® M Processor 530, Intel® Celeron® Processors 550, 575 and ULV 573, Intel® Core™2 Duo Processors U7500, T7500, L7500, T7400, T5500, L7400 and L7350, PCN 110688-00, Label  
**Date of Publication:** June 6, 2011

## Key Characteristics of the Change:

Label

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Jul 07, 2011
---	--------------

## Description of Change to the Customer:

In line with manufacturing site consolidation, Intel is transferring the products listed in the products affected table from Chengdu assembly site to Penang assembly site. This consolidation will enable Intel to provide better support to customers in the dynamic market environment.

The intermediate box label will reflect this change (see image below).

## Customer Impact of Change and Recommended Action:

The new manufacturing site has been certified equivalent (form, fit, function, and reliability) for the affected products and technologies of this change. Customers may receive product from either site until existing inventory is depleted. There will be no change to the product order code.
