

# Product Change Notification

## 109397 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 109397 - 01  
**Change Title:** SR1630BC, PCN 109397-01, Product Design, Power Supply Cable Length Change, Reason for Revision: Adding additional information  
**Date of Publication:** May 26, 2009

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Jun 17, 2009
---	--------------

## Description of Change to the Customer:

### Reason for Revision: Adding additional information

A change is being made to the power supply used in the Intel(R) Server System SR1630BC to increase the length of the 24 PIN power cable (P1) by 30mm. Adding the additional 30mm length to the 24 PIN (P1) cable will allow for easier installation and remove of cable into the system.

## Customer Impact of Change and Recommended Action:

Intel does not anticipate any customer impact for this change. Evaluate when available.

## Products Affected / Intel Ordering Codes:
