

# Product Change Notification

## 110127 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 110127 - 00  
**Change Title:** Intel ® Components Reel Traceability System with Unique Reel ID, PCN 110127-00, Transport Media, for Chipset/Netcomm Products  
**Date of Publication:** July 23, 2010

## Key Characteristics of the Change:

Transport Media

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	August 23, 2010
---	-----------------

## Description of Change to the Customer:

All reels will convert to black in color and have a bar code label on the back-side of the reel for traceability. The ESD Caution sticker will remain on the front-side of the reel. There is no change to dimensions or function.

Current tape and reel inventories for each product will be depleted before the new standardized reels ship; therefore, customers may receive both reel types during the transition.

## Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers. Customers may notice the change in color of the reel and/or the bar code label added on the back-side of the reel.
