

Product Change Notification

110067 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

Product Change Notification

Change Notification #: 110067 - 00
Change Title: Intel(R) Server Board S3210SH/S3200SH,
PCN 110067-00, Label, Add WEEE mark in
the serial number label
Date of Publication: May 27, 2010

Key Characteristics of the Change:

Label

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Jun 12, 2010
---	--------------

Description of Change to the Customer:

Intel has implemented the following change:

A Waste Electrical and Electronic Equipment (WEEE) mark has been added to the board. The symbol is included in the serial number label as shown below:

This change is to comply with the German interpretation of the WEEE scope. WEEE is the European Union (EU) Directive regarding waste management of electrical and electronic equipment.

Please refer the following link for more information about Intel's WEEE Directive Recycling Program:

<http://www3.intel.com/cd/channel/reseller/emea/eng/316697.htm>

Customer Impact of Change and Recommended Action:

No impact to customers is expected.
