

# Product Change Notification

**Change Notification #:** 119076-00  
**Change Title:** Select Intel® NUC 11 Essential Kits and Intel® NUC 11 Essential Mini PC with Intel® Celeron® Processor, PCN 119076-00, Product Design, BIOS AT0035 Update  
**Date of Publication:** May 26, 2022

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material</b>	June 03, 2022
--	---------------

## Description of Change to the Customer:

The Intel SKUs listed in the products affected table below will have the following changes:

- Updated shipping BIOS to AT0035
- Updating shipping OS to Windows 11 21H2
- Removal of Power Sense IC

## Customer Impact of Change and Recommended Action:

This change has been thoroughly evaluated to ensure that there are no quality or reliability implications to our customers.

Milestone dates are estimates and subject to change based on business and operational conditions. Customer can expect to receive mixed inventory until current inventory levels are depleted

Please contact your local Intel Representative with any questions or concerns regarding the change communicated in this notification.

### Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at [www.intc.com](http://www.intc.com).

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
