

Product Change Notification

Change Notification #: 119211-00

Change Title: Select Boxed Intel® Core™ i9-10980XE Extreme Edition Processors, PCN 119211-00, Product Material, Packaging changes

Date of Publication: August 05, 2022

Key Characteristics of the Change:

Product Material

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material	September 04, 2022
--	--------------------

Description of Change to the Customer:

The following changes will be implemented for the Boxed Intel® Core™ i9-10980XE Extreme Edition Processors listed below in the products affected table.

Replace existing i9-10980XE custom packaging kit with an Intel standard folding carton

- Packaging dimensions:
 - Existing: 138mm X 138mm X 61mm
 - New: 116mm X 44mm X 101mm
- Images of i9-10980XE packaging
 - Existing (left), new (right)

Customer Impact of Change and Recommended Action:

This packaging change will affect the appearance of the shipping container for distributors and the internal packaging components. This change results in material procurement simplicity and standardized palletization usage. There is no change to the form, fit or function of the product contained therein, therefore no action is needed by customers.

Customers may see a mix of products until inventory has been depleted. Customers may also receive post-conversion material before the above target date if the current inventory is depleted sooner.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
