

Product Change Notification

Change Notification #: 119074-00
Change Title: Select Intel® Core™ i3 Processors,
Intel® Core™ i5 Processors,
Intel® Core™ i7 Processors,
Intel® Celeron® Processors,
Intel® Pentium® Processors, and
Intel® Xeon® Processors,
PCN 119074-00, Product Discontinuance,
Product End of Life
Date of Publication: June 03, 2022

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

Last Product Discontinuance Order Date	December 02, 2022
Last Product Discontinuance Shipment Date	December 03, 2023

Description of Change to the Customer:

Intel will discontinue manufacturing the product identified in this notification, and the product will become unavailable for additional orders after the "Last Product Discontinuance Order Date" (see "Key Milestones" above).

Customer Impact of Change and Recommended Action:

Intel will support Functional Analysis Correlation Requests (FA/CR) for the products listed in the "Products Affected/Intel Ordering Codes" table below for 12 months from the Last Ship Date (see Forecasted Key Milestones above). Collateral for the products listed will be available for download from <http://rdc.intel.com> for 12 months from the date of this notice. Additionally, software artifacts will be available for download from <http://platformsw.intel.com> for 12 months from the date of this notice.

Please contact your local Intel representative with any questions or concerns regarding the changes in this notification.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
