

# Product Change Notification

## 109490 - 01

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 109490 - 01  
**Change Title:** Intel(R) Modular Server System MFSYS25, Intel(R) Modular Server System MFSYS35, MFMIDPLANE Midplane Spare, PCN 109490-01, Product Material, Change to SD Card on System Midplane., Reason for Revision: Adding updated part numbers.  
**Date of Publication:** August 18, 2009

## Key Characteristics of the Change:

Product Material

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Aug 10, 2009
---	--------------

## Description of Change to the Customer:

**Reason for Revision:** Adding updated part numbers.

The current 1G SD card installed on the system midplane is going end of life. It will be replaced by a 2G SD card that has future availability as well as allowing for future FW expansion.

## Customer Impact of Change and Recommended Action:

Intel anticipates no impact to the customer and no action is required or recommended.
