

Product Change Notification

Change Notification #: 119064-00
Change Title: Select Intel® NUC M15 Laptop Kits and EVO Intel® NUC M15 Laptop, PCN 119064-00, Product Discontinuance, Product End of life
Date of Publication: May 11, 2022

Key Characteristics of the Change:

Product Discontinuance

Forecasted Key Milestones:

| | |
|--|--------------------|
| Product Discontinuance Program Support Begins | May 11, 2022 |
| Last Product Discontinuance Order Date | July 10, 2022 |
| Last Product Discontinuance Shipment Date | September 08, 2022 |

Description of Change to the Customer:

Intel will discontinue the manufacturing of the selected Intel® NUC -related products listed in the “Products Affected/Intel Ordering Codes” table below.

Intel will allow customers to receive shipments up to the 8th September 2022, while supply is available. If you are currently using these order codes, be sure to contact your authorized Intel representative and inform them of your requirements through this time frame.

Customer Impact of Change and Recommended Action:

Please determine your remaining demand for the products listed in the "Products Affected/Intel Ordering Codes" table and place your "Last Product Discontinuance Order" as soon as possible.

Partners who need to support their customers beyond Intel's standard warranty period need to begin to procure the necessary Field Replaceable Unit (FRU) at the time of this notice. Please see link for instructions on how to procure non warranty FRUs: <https://www.intel.com/content/www/us/en/support/articles/000090063/intel-nuc.html>

Distributors and Resellers are responsible for letting their customers know about this discontinuance in a timely manner.

Please contact your local Intel Field Sales representative if you have any further questions about this End of Life notice.

Notices & Disclaimers

No license (express or implied, by estoppel or otherwise) to any intellectual property rights is granted by this document.

Intel disclaims all express and implied warranties, including without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement, as well as any warranty arising from course of performance, course of dealing, or usage in trade, except as provided in a separate written agreement.

You may not use or facilitate the use of this document in connection with any infringement or other legal analysis concerning Intel products described herein. You agree to grant Intel a non-exclusive, royalty-free license to any patent claim thereafter drafted which includes the subject matter disclosed herein.

The products described may contain design defects or errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.

Statements in this document that refer to future plans or expectations are forward-looking statements. These statements are based on current expectations and involve many risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. For more information on the factors that could cause actual results to differ materially, see our most recent earnings release and SEC filings at www.intc.com.

Customer is responsible for safety of the overall system, including compliance with applicable safety-related requirements or standards.

Intel technologies may require enabled hardware, software or service activation.

No product or component can be absolutely secure.

Your costs and results may vary.
