Product Change Notification

Change Notification #: 104429 - 00
Change Title: Intel® Moisture Barrier Bag, PCN 104429-00,
FYI, adding additional source for Moisture
Barrier Bag (MBB)
Date of Publication: November 24, 2004

Type of Change Notification:
FYI - (For Your Information)

Key Characteristics of the Change:
Transport Media

Forecasted Key Milestones:

Date Customer Must be Ready to Receive Post-Conversion Material:	Dec 24, 2004
---	--------------

Description of Change to the Customer:

Intel is adding an additional qualified source of MBBs and will begin shipping all production material (tubes, trays, reels & boards) as of the date mentioned above.

The new MBB will have the same functional specifications as the existing MBB. There is no change to the base components or dimension to the existing MBB.

The customer will see a difference in the label as the current adhesive label has been replaced by a pre-printed label directly on the bag. Please see pictures below. There will be no changes to the affected products.

Current and new MBBs will be shipped interchangeably and mixed within shipments. The transition timeline is expected to be completed by May, 2005.

The new source of the MBBs will follow Intel's stringent quality and reliability standards.

This will improve supply flexibility to better serve the customers.

Current Label

New Pre-printed Label

Customer Impact of Change and Recommended Action:

Dimensions on the MBBs are identical on all key parameters, including dimension or raw material.

The transition timeline is expected to be completed by May, 2005. During this time revised MBBs will be shipped interchangeably and may be mixed within shipments. Intel anticipates no impact to customers; however the customer may want to inform their receiving department of this change.

Products Affected / Intel Ordering Codes:

This change affects all Intel ® Moisture Barrier Bags (MBB)
