For the Carton label on the packaging box

Updating the box labels on the outer product packaging to add the new Korea Certification (KC) mark. The following is a picture of the new KC mark:

For the label on the system board

Adding a label with the new KC mark and the manufacturing date (MMM YY) on the system board. The following is a sample picture of the new label:

This KC mark change is for the new Korea Regulation Marking requirements on both the product and packaging box:

1. New KC mark with unique certification number to be marked
2. Human readable date information (month and year) to be marked
3. Manufacturers Name to be marked
4. Equipment Name to be marked
5. Country of Origin to be marked

Customer Impact of Change and Recommended Action:

Customers may need to determine the need for changing of the KC marking on their products before they are exported to or sold in the the Republic of Korea market.
