# Product Change Notification

<b>Change Notification #:</b>	<b>110931 - 00</b>
<b>Change Title:</b>	<b>Intel PRO/100 S Dual Port Server Adapters (Gainesville Retail), Intel PRO/100 S Desktop Adapters (MacKenzie (3DES) Retail) and Intel PRO/100 S Server Adapters (South Bend OEM generic, Retail)</b>  <b>PCN 110931-00</b>  <b>Label</b>  <b>Updating KCC (Korean Communications Commission) logo to the new KC logo on PB (printed board) and all box labels</b>
<b>Date of Publication:</b>	<b>Aug 9, 2011</b>

## Key Characteristics of the Change:

Label

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Aug 14, 2011
-------------------------------------------------------------------------	--------------

## Description of Change to the Customer:

The Intel PRO/100 S Dual Port Server Adapters (Gainesville Retail), Intel PRO/100 S Desktop Adapters (MacKenzie (3DES) Retail) and Intel PRO/100 S Server Adapters (South Bend OEM generic, Retail) will undergo the following changes:

**Please Note: The Intel PRO/100 S Dual Port Server Adapters (Gainesville Retail), Intel PRO/100 S Desktop Adapters (MacKenzie (3DES) Retail) and Intel PRO/100 S Server Adapters (South Bend OEM generic, Retail), have announced End of Life per PCN#110121-00 dated July 26, 2010. Intel will implement the following changes on these products to ensure the products can continue to ship into Korea until the Last Product Discontinuance Shipment Date of December 31st, 2011.**

To comply with new regulations from Korea, Intel will be adding the new KC logo to the Printed Board (PB) as a label. The label will be added to either the front or the back of the PB depending on space constraints. The new KC logo will also be added to all box labels (product box label and over-pak box label). **(see pictures 1, 3 & 4)**

The old silk screened KCC logo will remain on the PB (either front or back). We cannot cover this logo up with the new KC label, as it would interfere with other markings. **(see picture #2)**

As a result of these changes, the TA (top assembly) number and PBA (printed board assembly number) will roll as noted in the affected products table within this PCN notice. If TA/PBA numbers are printed on any product or box labels, those will show the dash roll as well.

Picture 1 showing old KCC logo and new KC logo.

Picture 2 showing the old KCC logo, which will remain on the PB.  
(picture 2 example only)

Picture 3 showing the new KC label, which will be placed on the PB as a label. The KC label will contain; Date of Manufacture, Made in Country of Origin (COO) and a unique Product Identification number.  
(picture 3 example only)

Date of Manufacture, Made in COO, Product Identification number

Picture 4 showing new KC logo on box label. The box label already contains the Made in Country of Origin (COO) and the Date of Manufacture, this information will also show on the KC label.

New KC logo, Date of Manufacture, Product Identification number, Made in COO (Picture 4, all of the information showing in Picture 4 is for example only and may not reflect actual data)

## Customer Impact of Change and Recommended Action:

Please contact your local Intel Field Sales Representative if you have any further questions about these changes.

Customers can expect to receive mixed inventory, until current inventory levels are depleted.

The addition of the new KC logo to the PB and box labels will not affect the Form, Fit or Function of the affected product(s).

**Please Note:** Due to the complexity of these changes to all of our shipping Networking Adapter products and current inventory levels, customers might expect to see a shortened time period between date of PCN publication and Customer Ready to Receive Date.
