

# Product Change Notification

## 108396 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

# Product Change Notification

**Change Notification #:** 108396 - 00  
**Change Title:** SC5400 Server Chassis, PCN 108396-00,  
Product Design, Addition of mounting holes  
to support future generation server boards  
**Date of Publication:** April 15, 2008

## Key Characteristics of the Change:

Product Design

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	May 23, 2008
---	--------------

## Description of Change to the Customer:

Addition of 2 6-32 tapped extrude holes for motherboard mounting.

**Add 2 6-32 tapped extrude holes for motherboard mounting.**

**Customer Impact of Change and Recommended Action:**

This change will have no impact to the current generation of motherboards being mounted in the SC5400 chassis. This will be a visual impact only and therefore Intel recommends that no further validation is necessary.

**Products Affected / Intel Ordering Codes:**

Pre Change Product Code	Pre Change MM#	Pre Change TA	Post Change TA
SC5400BASE	877757	D33734-006	D33734-007
SC5400BRP	877804	D33733-007	D33733-008
