**Change Notification #:** 114058-00  
**Change Title:** Selected Intel® Core™ and Intel® Xeon® Processors, PCN 114058-00, Label, Manufacturing Site, Country of Origin addition  
**Date of Publication:** September 21, 2015

## Key Characteristics of the Change:

Label, Manufacturing Site

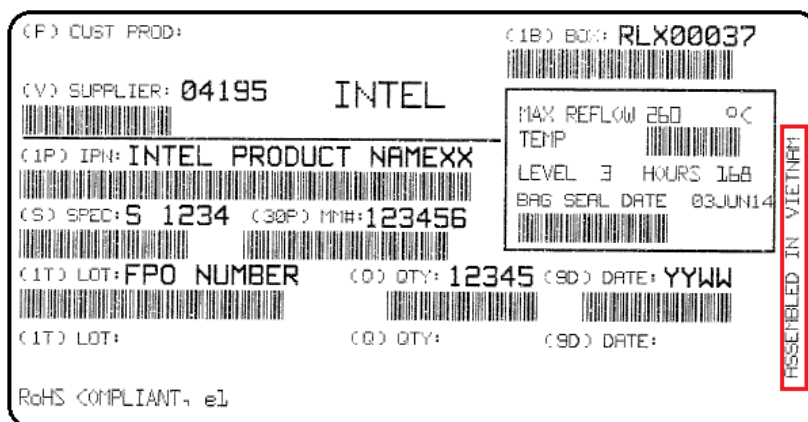

## Forecasted Key Milestones:

<b>Date Customer Must be Ready to Receive Post-Conversion Material:</b>	Oct 21, 2015
---	--------------

## Description of Change to the Customer:

In order to ensure a continuous supply of the Intel® Core™ and Intel® Xeon® Processors listed in the "Products Affected" Table below, Intel will now manufacture these products using another Intel qualified assembly site. The new site is located in Vietnam. The new manufacturing site has been certified equivalent (form, fit, function, and reliability) for the affected products and technologies of this change.

Due to this change, the "ASSEMBLED IN Country" on the Box Label will now include Vietnam. See label example below – This label is a representation for example purposes only. The actual label will reflect correct product data.

## Customer Impact of Change and Recommended Action:

Intel anticipates no impact to customers for this change. Customers may see products from all assembly sites. Customers may want to notify their receiving department of the additional country listed on the label. Customers may contact their Intel Field Sales Representative or the contacts listed on the first page of this Product Change Notification appropriate to your geo with questions.

Fabrication (Fab), sort, and assembly test facilities follow a Copy Exactly! (CE!) philosophy. Copy Exactly! enables delivery of product from multiple production sites, which operate as a virtual factory that performs consistently and independent of the manufacturing source site. Additional benefits

include faster production ramps that improve product availability and improved consistency to quality performance.

Learn more about CE! At <http://www.intel.com/content/www/us/en/quality/exact-copy.html> web site.
