

Product Change Notification

106635 - 00

Information in this document is provided in connection with Intel products. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Intel's Terms and Conditions of Sale for such products, Intel assumes no liability whatsoever, and Intel disclaims any express or implied warranty, relating to sale and/or use of Intel products including liability or warranties relating to fitness for a particular purpose, merchantability, or infringement of any patent, copyright or other intellectual property right. Intel products are not intended for use in medical, life saving, or life sustaining applications. Intel may make changes to specifications and product descriptions at any time, without notice.

Should you have any issues with the timeline or content of this change, please contact the Intel Representative(s) for your geographic location listed below. No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones set forth in this attached PCN.

PCN 106635-00

Transport Media

Shipping Carton Spacer (Cushion) Redesign, Tray Products Only

Date of Publication: August 15, 2006

Key Characteristics of the Change:

Transport Media

Forecasted Key Milestones:

| | |
|-------------------------------------------------------------------------|--------------|
| Date Customer Must be Ready to Receive Post-Conversion Material: | Sep 15, 2006 |
| Date of First Availability of Post-Conversion Material: | Sep 15, 2006 |

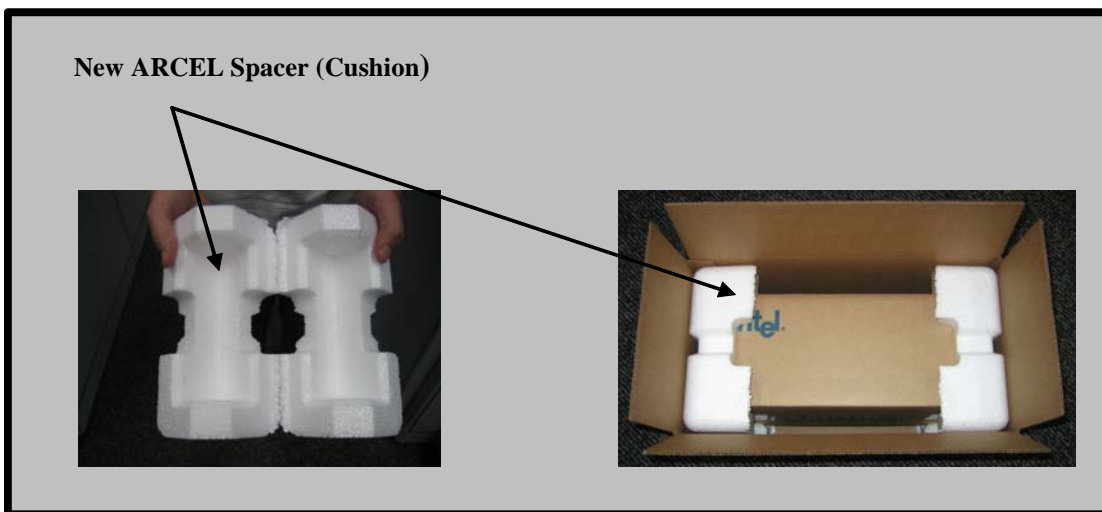

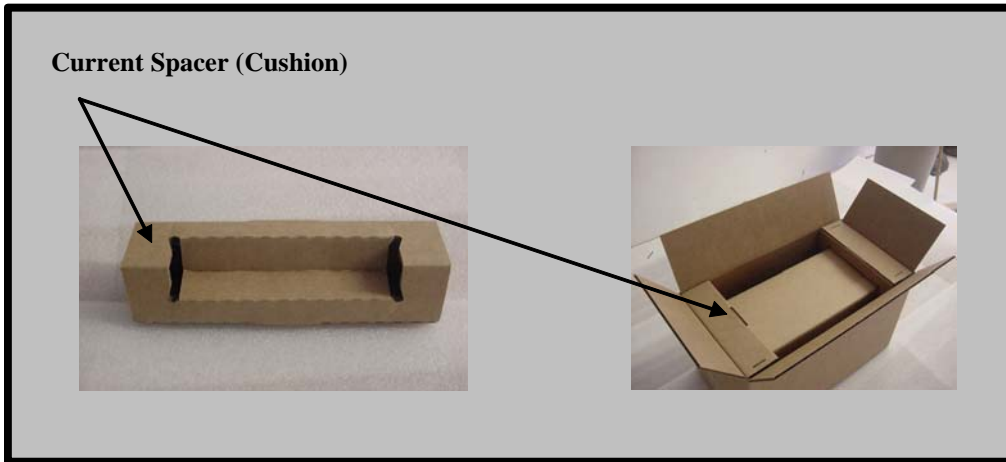

The date of "First Availability of Post-Conversion Material" is the projected date that a customer may expect to receive the Post-Conversion Materials. This date is determined by the projected depletion of inventory at the time of the PCN publication. The depletion of inventory may be impacted by fluctuating supply and demand, therefore, although customers should be prepared to receive the Post-Converted Materials on this date, Intel will continue to ship and customers may continue to receive the pre-converted materials until the inventory has been depleted.

Description of Change to the Customer:

Intel will be implementing a new shipping carton spacer to enhance product protection during shipping of selected Intel Chipsets, Desktop Processors, Embedded Processors, Microcontrollers, Mobile Processors, Networking Products, Server Processors and Wireless products, as noted in the affected products table within this PCN notification.

This new shipping carton spacer only affects products shipped in Trays, this change does not affect Tape and Reel products.

The new spacers are manufactured using ARCEL (expanded Polystyrene and Polyethylene) foam material. The current shipping spacers use corrugated/Polyethylene foam. Please see current/new spacer pictures below.

Customer Impact of Change and Recommended Action:

Intel anticipates no impact to the customer detrash (recycle) process.

Intel recommends that customers recycle the ARCEL foam spacers appropriately (ARCEL foam is categorized as recycle code 6).

Customers may expect to receive shipments with either spacers until current inventory levels are depleted.
