## Customer Impact of Change and Recommended Action:

It is recommended that customers evaluate this new BIOS to ensure a smooth transition. This change has been thoroughly evaluated to ensure that there are no quality or reliability implications to our customers.

Intel does not expect any impact from the image update.

The change to the label does not affect the functionality of the product. Customer should be aware of these change and take any actions so as to not impact their receiving and integration of product with the new label.

Milestone dates are estimates and subject to change based on business and operational conditions.

Customer can expect to receive mixed inventory until current inventory levels are depleted.

Please contact your local Intel Field Sales Rep if you have any further questions about these changes.
