Customer Impact of Change and Recommended Action:

Products listed in the "Products Affected/Intel Ordering Codes" table should be managed in accordance with the "Key Milestones" listed above. The "Last Product Discontinuance Order Date" is the final day for customers who carry backlog to book the orders Intel has granted as of the "Orders are Non-Cancellable and Non-Returnable After" (NCNR) date. The "Orders are Non-Cancellable and Non-Returnable After" date applies to all remaining backlog and/or orders after the "Last Product Discontinuance Order Date." From date of PCN publication, interim booking and turn back deadlines or separate Letter Agreements will apply vs. the standard Corporate Assurance Process.

Boxed processors will not be available after boxed inventory is depleted (see "Key Milestones" above.) Intel is offering tray processors to Intel Authorized Distributors as a substitute for depleted boxed processor inventory. Substitute tray processors are identified below in the "Boxed Processors Product Table."
